Dear Scott:

We are pleased to inform you that your high school has selected you to be one of its representatives on the District Attorney's Youth Council.

The purpose of this Council is two-fold: 1) to educate students as to the nature of the criminal justice system, and 2) to facilitate communication between youth and the authorities of that system.

We have divided the Los Angeles Unified School District into five areas. You will meet with other representatives of your area approximately once a month after school. All representatives will also periodically meet downtown for important speakers and presentations.

We think you will find this an opportunity to be educated and to make your opinions known. You will be able to have programs of special interest at your school.

We will notify you of the first meeting place and time. At this meeting we will ask you to indicate the kind of programs you would like to see in this Council. We have some ideas of our own, and we'd like to get your feelings about them.

In the meantime, please feel free to call us at 974-3531.

Very truly yours,

JOHN E. HOWARD
Acting District Attorney
